JOURNAL OF A MEETING

OF THE

BOARD OF PRESIDENTS, STATE TEACHERS COLLEGES

Friday, July 15, 1949

The regular meeting of the Board of Presidents of the State Teachers Colleges of the Commonwealth of Pennsylvania was held in Room 317 of the Department of Public Instruction, Friday, July 15, 1949. The meeting was called to order by the Secretary of the Board at 9:30 A.M., Eastern Daylight Saving Time

The following were present:

Harvey A. Andruss	Bloomsburg
Robert M. Steele	California
Leslie Pinckney Hill	Cheyney
Paul G. Chandler	Clarion
Joseph F. Noonan	East Stroudsburg
L. H. Van Houten	Edinboro
Willis E. Pratt	Indiana
Q. A. W. Rohrbach	Kutztown
Richard T. Parsons	Lock Haven
James G. Morgan	Mansfield
D. L. Biemesderfer	Millersville
Harry L. Kriner	Shippensburg
Dale W. Houk	Slippery Rock
Charles S. Swope	West Chester

Francis B. Haas, Chairman
Henry Klonower, Secretary

I. Reading and consideration of the minutes of the meeting of the Board of Presidents held Friday, May 13, 1949.

On motion of Doctor Kriner, seconded by Doctor Van Houten, the Board voted that the minutes of the meeting of the Board of Presidents held May 13, 1949, be approved as submitted.

II. Unfinished Business

A. Report of the Curricular and Credentials Committee

Doctor Steele, Chairman of the Curricular and Credentials Committee,

presented the following report:

REPORT OF THE CURRICULAR AND CREDENTIALS COMMITTEE

July 15, 1949

Re: Report of the Curriculum Revision Conference held at Shippensburg State Teachers College, May 25, 26, 27, 1949

A complete report of the general conference has been prepared. Copies have been sent to each teachers college and the President has been requested to distribute these copies to the representatives of his college attending the conference.

The recommendations of the entire conference as to plans for continuing the study are set forth and include the following items which should receive Board action at this meeting:

1. That a meeting of the Professional Education and Steering Committee be held September 7, 8, and 9, 1949, at a teachers college or other place to be designated by your committee.

2. That the institutional representatives of each college serve as a local curriculum committee.

3. That a general conference of all groups be called for May 1950, following the close of the colleges, at which time reports will be submitted by the several areas and departments.

Respectfully submitted

L. H. Van Houten
Willis E. Pratt
Q. A. W. Rohrbach
Charles S. Swope
Robert M. Steele, Chairman

After some discussion, it was moved by Doctor Steele, seconded by Doctor Hill, that the report of the Curricular and Credentials Committee, be approved. The Board so voted.

B. Report of Special Committee on Salary Schedule

Doctor Noonan, Chairman of the Special Committee on Salary Schedule, advised that the committee had developed a proposed salary schedule. This proposed schedule had been reviewed by the Executive Committee of the faculty group. The proposed schedule, plus suggestions made by the faculty group, is now in the hands of the Superintendent of Public Instruction for his action. The special committee was therefore dissolved and the item removed from the Docket.

C. Report of the Calendar Committee

Doctor Rohrbach, Chairman of the Calendar Committee, presented the following report:

REPORT OF THE CALENDAR COMMITTEE

July 15, 1949

Re: The Adoption of a Spring Vacation instead of the Easter Vacation

The committee considered nine replies received to an inquiry addressed to each President relative to the inclusion of a Spring Vacation instead of the Easter Vacation.

Since the calendar for 1949-50 was adopted by the Board and appears in our catalogues, it was deemed undesirable to change the Easter Vacation which begins April 1 and ends April 12, 1950.

The calendar for 1950-51 will be considered in the light of the inter-semester recess, the Easter Vacation as now observed, and a Spring Vacation as proposed at the meeting of the Board, May 13, 1949.

Respectfully submitted

D. L. Biemesderfer
Harry L. Kriner
James G. Morgan
Richard T. Parsons
Q. A. W. Rohrbach, Chairman

On motion of Doctor Rohrbach, seconded by Mr. Morgan, the Board voted to approve the report of the Calendar Committee.

D. Report of the Budget Committee

Doctor Noonan, Chairman of the Budget Committee, presented the following report:

REPORT OF THE BUDGET COMMITTEE

Re: Elementary Supervisor for Service Area

1. In reviewing the situation created by the new elementary curriculum, every important agency in the Commonwealth has expressed considerable interest in its implementation. The State Teachers Colleges are all trying to be as helpful as possible.

2. While the employment of an elementary supervisor to cover the service area of each State Teachers College would be of some value, this would appear to infringe on the province of superintendents and supervising principals. It might even be construed as interference with the legally constituted officers of the public schools.

3. In terms of cost, the employment of a minimum of 14 supervisors would mean the expenditure of approximately $60,000. Such an expenditure has not been contemplated in the budget, represents essentially an added cost for the duplication of function, and cannot be justified.

4. If State Teachers Colleges wish to help in the matter, this can be best accomplished through extension courses, conferences at the various colleges, professional meetings, round tables, and cooperative programs with the Department of Public Instruction.

5. It is recommended that the implementation of the elementary curriculum be continuously studied in terms of the plan suggested and that no allocation of funds be made for the employment of elementary supervisors under the circumstances that now prevail.

Respectfully submitted

Harvey A. Andruss
Leslie Pinckney Hill
Dale W. Houk
James G. Morgan
Joseph F. Noonan, Chairman

It was moved by Doctor Noonan, seconded by Doctor Kriner, that the report of the Budget Committee be approved. The Board so voted.

E. Report of the Fees Committee

Doctor Andruss, Chairman of the Fees Committee, stated that a question has been raised concerning fees for Pennsylvania State College students enrolled in the State Teachers Colleges. After some discussion the matter was referred to the Special Committee on Cooperation with State College, of which Doctor Steele is Chairman, for study and a report at the next meeting of the Board.

F. Report of the Publications and Public Relations Committee

Doctor Chandler, Chairman of the Publications and Public Relations Committee, presented a report regarding the publication of a recruiting bulletin for elementary teachers. After some discussion, it was agreed that it would be advisable for each institution to prepare a bulletin setting forth the opportunities for teachers in the elementary field. The bulletin should be so designed as to capture the imagination of high school students. The format of the bulletin should be made to conform to the approved Publication Policy.

G. Report of Admissions, Testing and Guidance Committee

The Chairman of the Board stated that the report of the Admissions, Testing, and Guidance Committee made at the meeting of the Board in May was being studied and asked that the matter be held in abeyance until the next meeting of the Board.

H. Scholarships - Pennsylvania Congress of Parents and Teachers

Doctor Houk stated that he had communicated with the State Committee on Scholarships of the Pennsylvania Congress of Parents and Teachers regarding the Golden Jubilee Scholarships to be awarded to students preparing to teach in the elementary field. He was advised that there was only sufficient money in the hands of the organization to offer such scholarships for one year and for this reason, notice of these scholarships should not appear in the bulletin published by the Department of Public Instruction listing available scholarships.

I. Distribution of Surplus Material

Doctor Noonan stated that he, Doctor Klonower and Doctor Cressman had studied carefully the matter of the distribution of surplus material. He advised that apparently the present method of distributing surplus material is satisfactory but that the matter is still under consideration. He asked that if any member of the Board had any suggestions that would help to expedite the distribution of such material, the suggestions be sent to him.

J. Loan Libraries for Audio-Visual Aids and Equipment - Use and Refund Agreement

Doctor Steele, Chairman of the Special Committee, presented the following report:

REPORT OF A SPECIAL COMMITTEE ON USE AND REFUND AGREEMENT WITH THE STATE BOARD FOR VOCATIONAL EDUCATION

July 15, 1949

A special committee consisting of Paul L. Cressman, Henry Klonower, and Robert M. Steele, appointed by the State Superintendent of Public Instruction, has agreed on a form of contract for the care, use, and refund of visual aids and sensory technique equipment now held by the State Board for Vocational Education.

This agreement, which appears as Exhibit "A", following page 1936, has been approved by each member of the committee and by the State Board for Vocational Education.

Teachers College Presidents desiring to participate in the distribution and use of visual aids now on hand may secure copies of the agreement from Doctor Klonower and should execute the agreement in guadruplicate and file these copies with Doctor Klonower immediately.

Respectfully submitted

Paul L. Cressman
Henry Klonower
Robert M. Steele, Chairman

It was moved by Doctor Steele, seconded by Doctor Pratt, that the uniform agreement as submitted by the special committee be approved by the Board and that the report be approved. The Board so voted.

III. New Business

A. Retirement Contributions

Mr. J. Y. Shambach, Secretary of the Public School Employes' Retirement Board, met with the Board of Presidents to answer certain questions raised by the Presidents concerning retirement contributions for cooperative teachers and teachers employed during the summer sessions.

The question relative to contributions to the Retirement System by cooperative teachers was definitely clarified. Such cooperative teachers may contribute and payments to the Retirement System must be made in the usual manner; that is, deductions are made at the college and forwarded in the same manner as all other contributions to the Retirement System.

The question was raised with reference to the contributions of teachers employed in the pre-summer and post-summer sessions. The Secretary of the Retirement Board pointed out that under a ruling of the Retirement Board, salary deductions could be made only in such cases where the employment period was for one month. However, it developed from the discussion that a number of institutions had made the deductions and had forwarded them to the Retirement System in the past and that such contributions had been accepted. More recently the policy had been reversed and the deductions were refused.

The Chairman of the Board of Presidents stated that in his judgment every teacher employed for any one of the summer sessions should be permitted to make contributions for such periods of employment for which the teacher is legally employed. He advised the Secretary of the Retirement Board that such contributions should be accepted and that in the meantime he would secure an opinion from the Department of Justice concerning the matter.

B. Fees for Over-night Guests at State Teachers Colleges

After discussion this item was removed from the Docket.

C. Departmental Recommendations to G.S.A. for State Teachers Colleges

This item was discussed under Section "E", New Business.

D. Representation at Conference on Life Adjustment Education for Youth

Question was raised regarding the advisability of having two members of the instructional staff of one institution attend the Conference on Life Adjustment Education for Youth in Washington, D. C. The Chairman of the Board

pointed out that the out-of-State travel policy provides for a liberal program of representation at various meetings but he suggested that caution should be exercised and that requests for such out-of-State travel should be justified on the grounds that either the institution or the Board of Presidents would profit from representation at such meetings.

Wherever representation at out-of-State meetings at State expense is recommended for faculty members, the President of the institution should make the request to the Superintendent of Public Instruction.

E. Budgets and the General State Authority

Mr. William M. J. McClure, Comptroller, met with the Board and presented the following report:

On the basis of nine budgets received, estimated local receipts are 7% lower than last year. Out estimate is 5%, due primarily to a drop in veterans' enrollment. On a biennial basis, however, the decline in revenue will be lower because of increased housing and credit hour fees approved in 1948.

The appropriation of $8,600,000 for 1949-50 carried a proviso that at least $2,000,000 be spent for rehabilitation, repairs and replacemets. On the basis of nine budgets received the total provided for these purposes is $394,643, or an average of $43,000. If the missing five budgets maintain this average, together with the reserve withheld, approximately $1,000,000 will be spent for repairs during the first year of the biennium.

With respect to the G. S. A. program, there is nothing to report except to say that all projects were multilithed on separate 8½" x 13" sheets and 15 copies of each sent to Doctor Logan's office by July 5th. Lists of projects submitted were sent to each President and a request made for name of building and land area on each project, which identification is to be incorporated in leases to the G.S.A. when prepared

F. Local Taxes

The question was raised with reference to the liability of the State Teachers Colleges to pay certain local taxes. The Chairman of the Board stated that the matter would be referred to Mr. Stanley C. Fellows, Legal Advisor of the Department, and Mr. Elmer T. Bolla, Deputy Attorney General, and that a clear-cut statement would be forthcoming clarifying the situation. The Chairman further stated that sufficient copies of the clarifying statement will be supplied to each institution so that copies can be given to local agencies.

In the meantime, the Chairman advised that local agencies should be advised that the State Teachers Colleges are not authorized to collect local taxes.

The Chairman then dictated the following statement which will be

the basis for the development of a clear-cut statement of policy:

"Each State Teachers College is responsible for a cooperative association of students. Into the treasury of this association the students pay fees and the governing body is chosen by the students and determines the allocation of expenditures to be made by the association with the approval of the responsible representatives of the college - the Board of Trustees or its designated officer. In addition, there are certain activities conducted by the student association for which fees are charged but all income from such fees goes into the general treasury and is used for the general benefit of the student organization. The general purpose of the organization is for the conduct of the cultural, health, and other educational activities of the student body.

Therefore, against this background, I ask the following questions:

1. Is a State Teachers College which is owned and operated by the Commonwealth of Pennsylvania subject to fees levied:

    a. By the Federal Government
    b. By any legally constituted municipality

2. If a Teachers College is liable to fees as contemplated under Question 1, to what extent is it liable and under what conditions?"

The meeting adjourned at 1:00 P.M. the next meeting to be held September 16, 1949, in accord with the regular schedule.

Jenny Klonower
Secretary

APPROVED: July 21, 1949
Date

Francis B. Haas
Chairman

USE AND REFUND AGREEMENT
on
VISUAL AIDS and EQUIPMENT

Made and entered into this_____day of _____194___, by and between the State Board for Vocational Education, hereinafter called "The State Board", and/or the Department of Public Instruction, hereinafter called "The Department", and the State Teachers College at_____.

NOW THEREFORE WITNESSETH: That for and in consideration of the following mutual covenants and assurances, it is hereby agreed as follows:

I. That the said State Teachers College will establish and maintain a visual aids loan library for the public schools, and for agencies conducting vocational and practical arts educational activities within the established service area of the institution.

II. The State Board for Vocational Education and/or the Department will transfer to each institution on memorandum receipt a proportionate share of all audio-visual aids and equipment now on hand or to be purchased in the future.

III. That said Teachers College will organize and administer the Visual Aids Loan Library Service and collect and disburse fees with the intent of maintaining a self-supporting service.

IV. Fees shall be set to cover cost of supervision, clerical assistance, inspection, handling, and storage facilities. $1.00 per reel, per weekly loan, plus transportation and insurance coverage, shall be the service charge, subject to change upon determination that the $1.00 is insufficient to cover cost of such operation, such change subject to approval by the Superintendent of Public Instruction.

V. Equipment rental charges for like equipment will be uniform in all loan libraries established under this proposal. Equipment will be furnished only on payment of fees and personal pick up and returned with responsibility for any material damage other than reasonable wear. The following charges will be made:

Sound Projector	Per Day	Five Dollars	($5.00)
Film or Slide Projector	Per Day	Two Dollars	($2.00)

VI. That no requests for film or equipment loan shall be approved where any fee whatsoever is charged for admission of persons.

VII. Free use of films and equipment will be granted to State Area Supervisors of Vocational Education and to members of the instructional staff of the college.

VIII. That a Vocational Audio-Visual Aids Committee be appointed at the institution.

IX. That donations or gifts may be received on behalf of the Aidio-Visual Aid Library with appropriate expressions of appreciation, subject to the approval of the Superintendent of Public Instruction.

X. All receipts and expenditures of this program must be channeled through the regular accounting records the same as any other State activity.

XI. The said State Teachers College, agrees to maintain a permanent or current inventory as to the exact location of the said materials and equipment, at all times. This inventory shall be for the joint information of the State Board and/or the Department which may request information concerning the same, at any time. The said State Teachers College, shall also be required to furnish to the State Board an annual report and inventory not later than July 1st of each year as to the possession or location of the said material and equipment together with details as to condition of the same.

XII. It is understood and agreed that the ownership or property in the said material and equipment shall be and remain in the said State Board for Vocational Education and/or the Department.

XIII. The organization and maintenance of loan libraries under this proposal will not in any way interfere with the conduct of existing film rental or loan libraries now in operation.

In witness whereof, we, the parties aforesaid have executed this instrument and have affixed hereunto our hands and seals the day and year above written.

JOURNAL OF A MEETING

OF THE

BOARD OF PRESIDENTS, STATE TEACHERS COLLEGES

Friday, September 16, 1949

The regular meeting of the Board of Presidents of the State Teachers Colleges of the Commonwealth of Pennsylvania was held in Room 317 of the Department of Public Instruction, Friday, September 16, 1949. The meeting was called to order by the Chairman of the Board at 9:30 A.M., Eastern Daylight Saving Time.

The following were present:

Harvey A. Andruss	Bloomsburg
Robert M. Steele	California
Leslie Pinckney Hill	Cheyney
Paul G. Chandler	Clarion
Joseph F. Noonan	East Stroudsburg
L. H. Van Houten	Edinboro
Willis E. Pratt	Indiana
Q. A. W. Rohrbach	Kutztown
Richard T. Parsons	Lock Haven
James G. Morgan	Mansfield
D. L. Biemesderfer	Millersville
Harry L. Kriner	Shippensburg
Dale W. Houk	Slippery Rock
Charles S. Swope	West Chester

Francis B. Haas, Chairman
Henry Klonower, Secretary

I. Reading and consideration of the minutes of the meeting of the Board of Presidents held Friday July 15, 1949.

On motion of Doctor Biemesderfer, seconded by Doctor Noonan, the Board voted that the minutes of the meeting of the Board of Presidents held July 15, 1949, be approved as submitted.

II. Unfinished Business

A. Report of the Curricular and Credentials Committee

Doctor Steele, Chairman of the Curricular and Credentials Committee, stated that substantial progress had been made at the meeting held at Lewistown. He advised that the next meeting would be held with the representatives of the special four-year curriculums.

Doctor Steele then presented two recommendations for the approval of the Board:

1. That approval be given for the continuance of the group meetings which the Committee hopes will be completed by the end of October or the beginning of November.

2. That within the next week, if possible, the Committee be advised of the name of the local curriculum chairman for each institution.

On motion of Doctor Steele, seconded by Doctor Biemesderfer, the Board voted to approve the recommendations made by the Chairman of the Curricular and Credentials Committee.

Preparation of School Nurses

Doctor Steele also reported that conferences had been held with various representatives interested in the field of the preparation of public school nurses. He stated that a tentative pattern of preparation is in the process of completion and that the Committee will present a report at a subsequent meeting. Since the matter involves one of certification, the Chairman of the Board suggested that the final report follow the usual procedure so that the recommendations can be brought finally before the State Council of Education.

B. Report of Fees Committee

Doctor Andruss, Chairman of the Fees Committee, distributed copies of a report regarding fees charged to Pennsylvania State College students under the cooperative program.

After considerable discussion, the Chairman of the Board asked that the item be continued on the Docket and that the Fees Committee again review the matter and make a recommendation concerning any similar services rendered by the colleges for which the fees are now apparently not uniform.

C. Report of Admissions, Testing and Guidance Committee

This item was continued on the Docket for a report at the next meeting of the Board.

D. Retirement Contributions

A questionnaire regarding this matter has been submitted to each President and inasmuch as all the replies have not yet been received, the item was continued on the Docket for attention at the next meeting of the Board.

E. Report of the Budget Committee

Doctor Noonan, Chairman of the Budget Committee, spoke briefly regarding the budget conferences scheduled between the Department Budget Committee and the President of each State Teachers College. He stated that if the instructions sent to each President by Mr. McClure were carefully followed, both time and effort would be saved.

F. Federal and Local Taxes

Mr. Stanley C. Fellows, Legal Adviser, met with the Board regarding this matter. After some discussion, the Chairman of the Board advised Mr. Fellows that an opinion should be requested from the Department of Justice in order to settle the question once and for all. In the meantime, the Chairman advised the Presidents to advise local authorities that by the direction of the Superintendent of Public Instruction they are neither authorized to collect local taxes nor authorized to allow such taxes to be collected. He stated that if this reply did not suffice, such authorities should be referred to him.

III. New Business

A. Public School Employes' Retirement System and State Employes' Retirement System

During this portion of the meeting the Board met as a committee of the whole with Doctor Noonan, Chairman. Other interested persons who met with the Board included Dr. George A. Huggins of Philadelphia; Mr. J. Y. Shambach, Secretary of the Public School Employes' Retirement System; Mrs. Margot A. Kyle, Secretary, and Mr. Fred Davies, Jr., Assistant Secretary of the State Employes' Retirement Board; Deputy Attorney General Samuel M. Jackson; Mr. F. Steward Hartman, Executive Assistant, Department of Public Instruction; and representatives of other State-owned institutions.

Doctor Haas stated that this meeting provided an opportunity for the administrative heads of the institutions concerned to secure authoritative information concerning any questions which they may have had in mind with respect to the application of recent legislation to the two retirement systems. He emphasized the fact that the purpose of the meeting was to provide this opportunity and that he was anxious to make certain that all persons present should be free to ask any questions on the matter.

Doctor Huggins explained in detail the backgrounds of the two retirement systems, the recent legislation which made it possible to transfor from one retirement system to the other, and the methods and procedure to be followed in making the transfer.

Doctor Noonan then stated that he would revise the statement of procedure for the purpose of determining the various factors that enter into the transfer from one system to the other. These statements will be distributed to the heads of the institutions for such use as they may make of them. The necessary forms to make the transfer are available on request.

B. Response to Questionnaires

Doctor Andruss raised a question concerning the procedure to be followed in handling questionnaires sent to the institutions. He stated that questionnaires and requests for information were becoming more and more numerous. It was the feeling of the members of the Board that some uniform policy should be followed in answering such questionnaires.

It was, therefore, moved by Doctor Andruss, seconded by Mr. Morgan, that the Chairman of the Board appoint a committee to review questionnaires and pass upon the advisability and feasibility of developing uniform responses providing the committee agrees that it would be helpful to the general situation to comply with such requests for information. The Board so voted.

The Chairman of the Board suggested that before any institution is committed to giving information of this type, the agency requesting the information should be advised that the Board of Presidents has approved a policy of referring such requests to an appropriate committee.

C. Public School Attendance Registers

Doctor Klonower stated that he had been advised that several hundred copies of the Attendance Register are available through the office of Dr. Carl D. Morneweck, Chief of Child Accounting and Research, and advised that any President interested in securing copies for use in the institution should communicate directly with Doctor Morneweck.

D. Athletic Regulations - Eligibility Interpretation

Doctor Swope, Chairman of the Athletic Committee, advised that several questions had arisen concerning the application of the transfer regulation appearing under Section III. Eligibility, Interpretation #3 (page 1865 of the Proceedings of the Meetings of the Board of Presidents June 1947 to May 1948) which reads as follows:

"SECTION III. ELIGIBILITY

C. Transfer Student. No transfer student shall be eligible for intercollegiate athletic competition in varsity sports until he has completed satisfactorily a full year's (or two full semesters) work at his college.

Interpretations:

3. A student transferring from a regular accredited junior college shall not be affected by this rule."

The Chairman of the Board suggested that the Committee be given power to act in clearing any pending cases and that the Presidents of the institutions involved be advised specifically. It was further suggested that the Athletic Committee study the Athletic Regulations with specific reference to the transfer rule and make a report at the next meeting of the Board.

E. Preparation Program for Recreational Directors

Doctor Swope raised a question concerning the training of recreational directors in the State Teachers Colleges. The Chairman of the Board stated that this might reasonably be included as a part of the health and physical education curriculum in the institutions. The matter was referred to the Curricular and Credentials Committee for study and a report at the next meeting of the Board.

C. Report of Students Meeting Teacher Certification Standards, 1949 Post-Summer Session, State Teachers Colleges, Exhibit "C"

JOURNAL OF A MEETING

OF THE

BOARDS OF PRESIDENTS, STATE TEACHERS COLLEGES

Friday, November 18, 1949

The regular meeting of the Board of Presidents of the State Teachers Colleges of the Commonwealth of Pennsylvania was held in Room 317 of the Department of Public Instruction, Friday, November 18, 1949. The meeting was called to order by the Chairman of the Board at 9:30 A.M., Eastern Standard Time.

The following were present:

Harvey A. Andruss	Bloomsburg
Robert M. Steele	California
Leslie Pinckney Hill	Cheyney
Paul G. Chandler	Clarion
Joseph F. Noonan	East Stroudsburg
L. H. Van Houten	Edinboro
Willis E. Pratt	Indiana
Q. A. W. Rohrbach	Kutztown
Richard T. Parsons	Lock Haven
James G. Morgan	Mansfield
D. L. Biemesderfer	Millersville
Harry L. Kriner	Shippensburg
Dale W. Houk	Slippery Rock
Charles S. Swope	West Chester

Francis B. Haas, Chairman
Henry Klonower, Secretary

I. Reading and consideration of the minutes of the meeting of the Board of Presidents held Friday September 16, 1949.

On motion of Doctor Steele, seconded by Doctor Kriner, the Board, voted that the minutes of the meeting of the Board of Presidents held September 16, 1949, be approved as submitted.

II. Unfinished Business

A. Report of the Curricular and Credentials Committee

Doctor Steele, Chairman of the Curricular and Credentials Committee, reported progress.

B. Report of Fees Committee

Doctor Andruss, Chairman of the Fees Committee, distributed copies of a report prepared by a Special Committee on Fees comprised of Mr. McClure, Doctor Klonower, and Doctor Andruss, regarding fees to be charged students not enrolled in teacher education curricula.

After considerable discussion, the Chairman of the Board commended the committee on the report and asked that the item be continued on the Docket. He suggested that the matter be given careful consideration by the members of the Board.

C. Report of the Admissions, Testing and Guidance Committee

Doctor Pratt, Chairman of the Admissions, Testing and Guidance Committee, stated that his committee, which had been assigned the responsibility of reviewing questionnaires and passing on the advisability and feasibility of developing uniform responses to such questionnaires, felt that it was a better policy for each President to handle this matter for his own individual institution.

It was therefore moved by Doctor Pratt, seconded by Doctor Van Houten, that the committee be relieved of this responsibility and that the matter be handled at each institution. The Board so voted.

In this connection, the Chairman of the Board stated that the institutions were under no legal obligation to reply to such questionnaires and that the matter was entirely discretionary with the Presidents of the institutions.

D. Report of the Athletic Committee

Doctor Swope, Chairman of the Athletic Committee, presented to the members of the Board copies of the Revised Rules and Regulations of the Athletic Committee. The revisions consist of two additional interpretations to be inserted in the Rules and Regulations Governing Athletic Competition of Pennsylvania State Teachers Colleges approved by the Board of Presidents, May 18, 1948. (Minutes of the Meeting of the Board of Presidents May 18, 1948, page 1865).

The revised statements are as follows:

"Section III. Eligibility

A. Years of Competition. A student shall not be allowed more than four years of intercollegiate competition.

1. Interpretation: In determining years of competition in all cases, the following provision applies: participation, however brief, in any intercollegiate athletic competition in any college or junior college will cause that year to count as one of the allotted years of competition.

2. INTERPRETATION: NO STUDENT HAVING COMPLETED THE REQUIREMENTS FOR A BACCALAUREATE DEGREE OR ITS EQUIVALENT SHALL BE ELIGIBLE TO REPRESENT HIS INSTITUTION IN INTERCOLLEGIATE ATHLETIC COMPETITION, EVEN THOUGH THE ACTUAL AWARD OF THE DEGREE IS POSTPONED.

Note: The restrictions of Section III-A are waived in the case of a veteran. The year or years during which a student may have represented any college, as a service trainee in intercollegiate athletic competition, shall not count in his total years of eligibility."

"Section III. Eligibility

C. Transfer Student. No transfer student shall be eligible for intercollegiate athletic competition in varsity sports until he has completed satisfactorily a full year's (or two full semesters) work at this college.

1. Interpretation: Attendance at summer sessions shall not be regarded as meeting the requirements of a semester's residence.

2. Interpretation: The student who trains at a training camp with a college before the football season opens but who does not register at the college is eligible to enter a teachers college and play that season.

3. INTERPRETATION: A GRADUATE FROM A REGULARLY ACCREDITED JUNIOR COLLEGE WHO SPENT THE LAST ACADEMIC YEAR IN THAT JUNIOR COLLEGE WILL NOT BE AFFECTED BY THIS RULE."

On motion of Doctor Van Houten, seconded by Doctor Biemesderfer, the Board voted to approve the report of the Athletic Committee.

E. Retirement Contributions

At the request of the Chairman of the Board this item was removed from the Docket.

III. New Business

A Report of the Calendar Committee

Doctor Rohrbach, Chairman of the Calendar Committee, presented the following report:

REPORT OF THE CALENDAR COMMITTEE

November 18, 1949

The following calendar is presented for the summer sessions of 1950 and for the academic year 1950-1951:

I. THE SUMMER SESSIONS, 1950

A. The Two Six-Week Sessions

1. The first Six Week Session

Session Begins	June 5
Session Ends	July 14

2. The Second Six-Week Session

Session Begins	July 17
Session Ends	August 25

B. The Three-Six-Three-Week Sessions

1. The Pre-Session of Three Weeks

Session Begins	June 5
Session Ends	June 23

2. The Six-Week Session

Session Begins	June 26
Session Ends	August 4

3. The Post-Session of Three Weeks

Session Begins	August 7
Session Ends	August 25

II. THE ACADEMIC YEAR, 1950-1951

A. The First Semester

Registration of Freshmen	September 11
Registration of Upperclassmen	September 12
Classes Begin at 8:00 a.m.	September 13
Thanksgiving Recess Begins at Close of Classes	November 21
Thanksgiving Recess Ends at 8:00 a.m.	November 27
Christmas Recess Begins at Noon	December 21
Christmas Recess Ends at 8:00 a.m.	January 3
First Semester Ends at the Close of Classes	January 18

B. The Second Semester

Registration	January 23 and 24
Classes Begin at 8:00 a.m.	January 25
Easter Recess Begins at the Close of Classes	March 16
Easter Recess Ends at 8:00 a.m.	March 28
Alumni Day	May 26
Baccalaureate Services	May 27
Commencement	May 28

III. THE LABORATORY SCHOOLS

The calendar of the laboratory schools is left to the discretion of the President of each college to meet local conditions.

IV. CHANGES IN THE CALENDAR

If a need arises to make changes in the calendar as adopted, such proposed changes shall be submitted to the Superintendent of Public Instruction for his consideration.

Respectfully submitted

D. L. Biemesderfer
Harry L. Kriner
James G. Morgan
Richard T. Parsons
Q. A. W. Rohrbach, Chairman

On motion of Doctor Rohrbach, seconded by Doctor Houk, the Board voted to approve the report of the Calendar Committee.

B. Refunds

Doctor Rohrbach raised a question regarding refunds to students who drop out of college voluntarily.

It was the general understanding that the statement in the Uniform Fees, Deposits and Repayments, namely, "A repayment will be made for personal illness, the same being certified to by an attending physician, or for such other reasons as may be approved by the Board of Trustees for the amount of the housing and contingent fees paid by the student for the part of the semester which the student does not spend in college", clearly places the responsibility for approving all refunds in the hands of the Board of Trustees of the institutions.

The item was removed from the Docket.

C. Cooperative Program with State Colleges

During the meeting Mr. A. O. Morse, Assistant to the President, and Mr. R. M. Gerhardt, Dean of Admissions, representing the Pennsylvania State College, met with the Board. During the discussion, the Board resolved itself into a committee of the whole with Doctor Steele as Chairman.

Mr. Morse expressed appreciation for the fine cooperation that the College received in every way and his hope that the State Teachers Colleges would be willing to continue the cooperative freshman program along lines similar to those followed in previous years. He stated that the situation would be somewhat changed due to the fact that more dormitory space is now available at The Pennsylvania State College and that more students can be accommodated on the campus of The Pennsylvania State College. He stated, however, that the facilities of the State Teachers Colleges were still needed

to take care of many persons seeking admission to The Pennsylvania State College. He further stated that it would be more difficult this year to advise the State Teachers Colleges definitely how many students would be assigned to them but that State College would make every effort to have this information in the hands of each President as soon as possible.

After some discussion, it was moved by Doctor Steele, seconded by Doctor Noonan, that the cooperative freshman program with The Pennsylvania State College be approved for the year 1950-1951 on the same general basis as the previous years. The motion passed.

D. Maintenance Costs of General State Authority Projects

The Chairman of the Board referred to his letter of November 17, 1949, sent to all Presidents requesting certain information with reference to increased cost of maintenance and operation of projects provided under the General State Authority. He stated that the information requested in this circular letter should be sent at once since the material should be in his office by December 5, 1949.

E. G. I. Student Enrollments

Reference was made to the probable loss in income to the State Teachers Colleges due to the decrease in the number of G. I. students. The Chairman of the Board stated that Mr. McClure would prepare a brief questionnaire which would be sent to each President requesting information concerning a likely loss of income due to any decrease in the enrollment of such students.

F. Salary Increments

The Chairman of the Board discussed briefly the matter of salary increments. He stated that it was his understanding that instructional staff members in the institutions had all been placed in the classifications to which they belonged. He stated that where an individual earns the right to reclassification either through preparation or experience, such cases would be considered. Aside from these cases, he stated that until the final budget allocations were made, salary increments would not be approved. He again emphasized the necessity of securing pre-approval for any changes in salary for personnel in the institutions. He pointed out that if any other procedure is followed, delay in payrolls may be expected.

G. Article XX of the School Code

The Chairman of the Board called the attention of the members of the Board to the provisions of Article XX of the School Code. He asked that this section be reviewed carefully with reference to the duties of the Boards of Trustees. He stated that many responsibilities which were legally assigned to the Trustees were being handled in the office of the President of the institutions, particularly the matter of the employment and dismissal of employes. Formal action should be recorded in the minutes of a meeting of the Board of Trustees wherever the employment or dismissal of an employe takes place.

IV. Charts

A. Distribution of Summer Session Enrollments, 1949 Pre-Session, Six Weeks Session, Post-Session, State Teachers Colleges, Exhibit "A", following page 1948.

B. Report of Students Meeting Teacher Certification Standards, 1949 Six Weeks Summer Session, State Teachers Colleges, Exhibit "B", following page 1948.

C. Report of Students Meeting Teacher Certification Standards, 1949 Post-Summer Session, State Teachers Colleges, Exhibit "C", following page 1948.

The meeting adjourned at 12:30 P.M.

JOURNAL OF A MEETING

OF THE

BOARD OF PRESIDENTS, STATE TEACHERS COLLEGES

Friday, January 20, 1950

The regular meeting of the Board of Presidents of the State Teachers Colleges of the Commonwealth of Pennsylvania was held in Room 317 of the Department of Public Instruction, Friday, January 20, 1950. The meeting was called to order by the Chairman of the Board at 9:30 A.M. Eastern Standard Time.

The following were present:

Harvey A. Andruss	Bloomsburg
Robert M. Steele	California
Leslie Pinckney Hill	Cheyney
Paul G. Chandler	Clarion
Joseph F. Noonan	East Stroudsburg
L. H. Van Houten	Edinboro
Willis E. Pratt	Indiana
Q. A. W. Rohrbach	Kutztown
Richard T. Parsons	Lock Haven
James G. Morgan	Mansfield
D. L. Biemesderfer	Millersville
Harry L. Kriner	Shippensburg
Dale W. Houk	Slippery Rock
Charles S. Swope	West Chester

Francis B. Haas, Chairman
Henry Klonower, Secretary

Doctor Haas introduced Dr. C. Herman Grose, Deputy Superintendent of Public Instruction.

I. Reading and consideration of the minutes of the meeting of the Board of Presidents held Friday, November 18, 1949.

On motion of Doctor Noonan, seconded by Doctor Rohrbach, the Board voted that the minutes of the meeting of the Board of Presidents held November 18, 1949, be approved as submitted.

II. Unfinished Business

A. Report of the Curricular and Credentials Committee

Doctor Steele, Chairman of the Curricular and Credentials Committee,

presented a somewhat detailed tentative report. He briefly summarized the work of the various committees of the faculties covering the various general education and professional fields. He further indicated that there had been cooperation with those responsible for the development of the curriculum in both the elementary and secondary fields, thus bringing about a larger degree of integration between the teacher education program and the curriculums in the public schools. He distributed tentative reports indicating suggested distribution of subjects in the fields of communication, world culture, geography, and other academic subjects on the basis of semesters, together with reports suggesting semester distribution in general professional education and specific professional education. Each president was asked to make a careful study of the suggestions contained in the tentative report and then send to the Chairman of the Committee such constructive suggestions that develop from an examination of this tentative report.

B. Report of the Fees Committee

Doctor Andruss, Chairman of the Fees Committee, stated that the Committee had no further report other than that which was presented to the Board for study at the last meeting, November 18, 1949. The Chairman raised the question relative to the basis on which the Committee arrived at the proposed figure of $7.50 per semester hour. Doctor Andruss replied that this was the amount charged out-of-State students. After some discussion, the report was tabled.

III. New Business

A. Financing Intercollegiate Athletics in the State Teachers Colleges

Doctor Houk stated that Mr. Walter Gregg, on leave of absence from the State Teachers College, Slippery Rock, and at present enrolled in the Graduate School of New York University, desires to make a study of financing intercollegiate athletics in the State Teachers Colleges. It was agreed by the Board that Doctor Houk should advise Mr. Gregg that it is the policy of the Board to present requests for cooperation to individual presidents.

B. Retirement Rate

Doctor Kriner raised the question of the rates required to be paid into the State Retirement System. Considerable discussion followed, after which the Chairman stated that Doctor Noonan, Chairman, Doctor Kriner, and Doctor Andruss were to act as a committee to meet with Mr. Huggins to discuss the present ruling. The Chairman stated that he would arrange the meeting with Mr. Huggins.

C. Inventory System in the State Teachers Colleges

Doctor Parsons explained to the Board the inventory system now in effect at the State Teachers College, Lock Haven, and stated that copies of the inventory will be sent out to the Board within several weeks. It was also suggested by Doctor Parsons that some part of each meeting of the Board of Presidents be devoted to the presentation of new ideas and methods in operation at the various institutions.

D. Report of the Athletic Committee

Doctor Swope, Chairman of the Athletic Committee, stated there was no further report from the Committee. The item was removed from the Docket.

E. Policy re Salary Increments

Doctor Houk raised the question of Salary Increments. The Chairman pointed out that after the president of the institution had met with the Budget Committee and agreement had been reached concerning the budget, the institution should assume the responsibility for maintaining relative values within the approved budget items. He further stated that all employes are at present in the proper classification, but that he will approve increases due to earned reclassification. Pre-approval must be secured, otherwise payrolls may be held up. The Chairman reminded members of the Board that transfer of funds from one budget allocation to another requires the pre-approval of the Budget Committee.

F. All Pennsylvania College Dinner

The Chairman stated that if, in the judgment of the members of the Board, the dinner is of value educationally, approval for out-of-State travel expenses will be requested.

G. Twelve-Month Salary Schedule

Doctor Noonan, Chairman of the Budget Committee, reported that seven replies were received to the Chairman's letter of November 29, 1949, concerning payment of teachers on a twelve-month basis. Six of these replies opposed the plan. The Board therefore went on record to the effect that it believes it would be inadvisable to put salaries on a twelve-month basis.

H. Library Science Curriculums

Doctor Rohrbach pointed out that in some areas, graduates of the four year library science curriculum of the State Teachers Colleges were considered ineligible for positions, due to the fact that this preparation is not recognized by the American Library Association. The Chairman referred the problem to the Curriculum Committee for further study.

I. Salary Schedule

The Chairman stated that on December 20, 1949, a memorandum was sent to Doctor Logan, Budget Secretary, transmitting the salary schedule for members of instructional staff, as developed by the Association of Teachers College Faculties. He respectfully requested the Budget Secretary to review the proposal.

J. Relationship Between Public Libraries and State Teachers Colleges

Doctor Andruss raised the question of contributing money to a local public library by a State Teachers College. The Chairman pointed out that the relationship should be such that the students have free

access to the use of the library at any time, without payment for this service in any form. It was agreed by the Board that any money for such purposes should be used to build up the library on the campus of the college itself.

K. General State Authority

The Chairman stated that thus far, $12,000,000 had been appropriated by the General State Authority in projects for the State Teachers Colleges. He requested that within the next week, the members of the Board send to his office a list of things not yet taken care of, and that he would transmit these items to the Governor for further consideration.

L. Tuition Charges

Doctor Pratt presented a request for approval of a contract for tuition charges for those pupils attending the demonstration school of the State Teachers College, Indiana, and for whom no provision is made in their own district. This charge would be at the same rate charged by the borough of Indiana. Discussion followed, during which the question arose of the right of a State Teachers College to charge tuition of one group of pupils and not another. The matter was continued for further study.

M. Salary of Cooperative Teachers

Doctor Kriner raised the question of variations in amounts paid cooperative teachers. The Chairman asked the Budget Committee to make a survey within the next six months relative to the amounts paid such teachers. He further asked the Board to make every effort to maintain full salaries during the summer sessions.

N. Publication Policy

Reference was made to the recent request by Mr. Braton Gardner, Director of Publications, that fifty-five copies of catalogues and summer session bulletins be attached to each printing request. The Chairman asked that the matter be presented to Mr. McClure.

Doctor Kriner asked that the publication policy be reviewed and revised in order that the quota might cover present needs. It was moved by Doctor Hill, Seconded by Doctor Noonan that the Publication Committee review the publication policy. The Board so voted.

O. Postal Permits

Doctor Andruss raised the question of postal permits for the State Teachers Colleges. It was pointed out that there are some permits granted the colleges which are not being used. The Chairman suggested that Mr. McClure could be of assistance concerning this matter.

Joseph F. Noonan	East Stroudsburg
L. H. Van Houten	Edinboro
Willis E. Pratt	Indiana
Q. A. W. Rohrbach	Kutztown
Richard T. Parsons	Lock Haven
D. L. Biemesderfer	Millersville
Harry L. Kriner	Shippensburg
Dale W. Houk	Slippery Rock
Charles S. Swope	West Chester

Francis B. Haas, Chairman
Henry Klonower, Secretary

Dr. Harvey A. Andruss, President of the State Teachers College at Bloomsburg, and Mr. James G. Morgan, President of the State Teachers College at Mansfield were absent because of illness. Mr. James D. Moore, Dean of Instruction at the State Teachers College at Clarion represented Dr. Paul G. Chandler, President of the State Teachers College.

I. Reading and consideration of the minutes of the meeting of the Board of Presidents held Friday, January 20, 1950.

On motion of Doctor Steele, seconded by Doctor Rohrbach, the Board voted that the minutes of the meeting of the Board of Presidents held January 20, 1950, be approved as submitted.

II. Unfinished Business

A. Report of the Curricular and Credentials Committee

Doctor Steele, Chairman of the Curricular and Credentials Committee, presented a tentative draft of the proposed curriculum. He stated that twenty-five copies had been sent to each institution for study, and requested that each president send to him criticisms of the plan. This tentative draft included suggested course descriptions which had been complied from committee reports. Doctor Steele further advised that plans have been made tentatively for another meeting of the faculty representatives at a place suitable for the accommodation

of the group. He advised the members of the Board that the dates and place of meeting would be sent to each president.

B. Retirement Rate

On motion of Doctor Noonan, seconded by Doctor Pratt, the Board voted that this item be removed from the Docket.

C. Report of the Publication Committee

Mr. Moore, representing Doctor Chandler, Chairman of the Publication Committee, presented the first tentative report of the Publication Committee. Each president was asked to apply it in terms of his own needs, and then send a report to Doctor Chandler. It was moved by Doctor Steele, seconded by Doctor Biemesderfer, and the Board so voted.

III. New Business

A. Proposed Curriculum

Inasmuch as Doctor Steele had discussed this item in his Committee report, Doctor Parsons asked that it be removed from the Docket.

B. Professional Memberships

Doctor Rohrbach, Chairman of the Special Committee on Institutional Memberships, submitted the following report:

REPORT OF THE SPECIAL COMMITTEE ON INSTITUTIONAL MEMBERSHIPS

March 17, 1950

The Board of Presidents decided on January 19, 1945 (see Minutes of the Board of Presidents, June 1, 1944 to May 31, 1945, page 1676) that requests for institutional membership in organizations should be presented to the Special Committee on Memberships on or before March 1. Recommendations of the Committee should be considered by the Board at its meeting in March.

From the list of approved institutional memberships, each institution requests approval for such memberships as are calculated to advance its professional interests on or before June 1.

At this time, the committee recommends approval for institutional membership in The Association of Trustees of the Pennsylvania State Teachers Colleges. The membership fee in this organization is $20.00.

Respectfully submitted

Charles S. Swope
Q. A. W. Rohrbach, Chairman

On motion of Doctor Rohrbach, seconded by Doctor Kriner, the Board voted to approve the report.

C. Fuel Utilization

Mr. McClure, Comptroller for the Department, pointed out the value of the material presented to the members of the Board in his memorandum of March 10, 1950. Doctor Noonan stated that it was also valuable inasmuch as it gave the presidents a basis upon which to predict the needs of the institutions.

D. Subsidation of Athletics

Doctor Parsons pointed out that in various communities in and near the State Teachers Colleges "booster clubs" have originated offering funds to attract athletes to the institutions. He stated that he felt the institutions were too small to engage in such subsidation, and that as State institutions, it should not be done.

It was moved by Doctor Pratt, seconded by Doctor Rohrbach, that the matter be referred to the Athletic Committee for study, after which recommendations were to be made for the consideration of the Board. The Board so voted.

E. Report on Elementary Enrollments

Doctor Kriner pointed out that the present form used for reporting enrollments in the State Teachers Colleges made no distinction between the elementary and secondary curriculum in the first two years.

It was moved by Doctor Kriner, seconded by Doctor Noonan, that the present report form be changed to show choice of curriculum in the first two years as well as the last two years of the four year teacher education program in the State Teachers Colleges. The Board so voted.

F. Twelve-Month Salary Schedule

In view of the Board's action at the meeting January 20, 1950, this item was removed from the Docket.

G. Storage for Visual Aids Equipment

The Chairman informed the Board that Doctor Cressman had advised him that racks for the storing of films in the visual education libraries would soon be available and that further information concerning such storage facilities would be forwarded to each institution.

The attention of the Board was also called to the fact that the Game Commission, the Fish Commission, and the Department of Forests and Waters had available, and could make available in increasing numbers, films and other illustrative material with reference to the areas in which each agency was responsible. If the institutions desire to have such materials, in the film libraries for use in the service area, the Secretary of the Board should be so advised.

H. Retirement - Dr. HuBert C. Eicher

The Chairman stated that Dr. HuBert C. Eicher, Chief, School Plant, had retired. Mr. H. W. Stone, who has been associated with Doctor Eicher, is assuming responsibility for the building program. The Chairman stated that any problems relating to buildings, to the General State Authority, to Act 72-A, and such projects which are being developed on the institution's own appropriation, should be cleared with Mr. Stone.

I. General State Authority

Mr. McClure recounted for the Board the highlights in the Chronological development of our General State Authority program, as reported to Doctor Haas on February 2, 1950.

He pointed out that projects filed for the State Teachers Colleges aggregated $19,782,072 in basic construction cost. Total projects approved by the General State Authority as of February 20, 1950, totaled $13,455,313 in gross cost, including loading charges. This represents only 36% of our projects in number. It was stated that the total equity of the Colleges in the General State Authority, including loading charges, is $14,130,431 as against $19,782,072 requested exclusive of loading charges.

The Chairman requested Mr. McClure to send each president a copy of the following statements:

1. The highlights in the chronological development of our General State Authority program

2. A statement showing the projects and allocations approved by the General State Authority as of February 20, 1950

The Chairman further stated that the president of the institution is the responsible agent for the institution, and should not deal with architects, but rather, inform Mr. Stone of his desires concerning construction, who will in turn transmit these requests to the architects.

JOURNAL OF A MEETING

OF THE

BOARD OF PRESIDENTS, STATE TEACHERS COLLEGES

Friday, May 19, 1950

The regular meeting of the Board of Presidents of the State Teachers Colleges of the Commonwealth of Pennsylvania was held in Room 317 of the Department of Public Instruction, Friday, May 19, 1950. The meeting was called to order by Dr. C. Herman Grose, Deputy Superintendent, at 9:30 Daylight Saving Time.

The following were present:

Harvey A. Andruss	Bloomsburg
Robert M. Steele	California
Leslie Pinckney Hill	Cheyney
Paul G. Chandler	Clarion
Joseph F. Noonan	East Stroudsburg
L. H. Van Houten	Edinboro
Willis E. Pratt	Indiana
Q. A. W. Rohrbach	Kutztown
Richard T. Parsons	Lock Haven
James G. Morgan	Mansfield
D. L. Biemesderfer	Millersville
Harry L. Kriner	Shippensburg
Dale W. Houk	Slippery Rock
Charles S. Swope	West Chester

C. Herman Grose, Deputy Superintendent
Henry Klonower, Secretary

I. Reading and consideration of the minutes of the meeting of the Board of Presidents held Friday, March 17, 1950.

On motion of Doctor Kriner, seconded by Doctor Rohrbach, the Board voted that the minutes of the meeting of the Board of Presidents held March 17, 1950, be approved as submitted.

II. Unfinished Business

A. Report of the Curricular and Credentials Committee

Doctor Steele, Chairman of the Curricular and Credentials Committee, presented the following report:

Report of the Curricular and Credentials Committee
May 19, 1950

Re: Elective field in the special four-year health and physical education curriculum leading to certification in recreation.

Your committee recognizing the demand for leadership in recreation and believing that the work offered in the four-year curriculum in health and physical education offers suitable preparation for the training of recreation leaders, recommends that in the four state teachers colleges offering special curriculums in health and physical education, an elective area in recreation be approved as follows:

REQUIRED COURSES - 19 Semester Hours

	Clock Hours	Semester Hours
First Semester		
*Aquatic Activities I	3	1
Second Semester		
*Aquatic Activities II	3	1
Fifth Semester		
*Athletic Activities V	3	1
*Dancing I	3	1
Sixth Semester		
*Athletic Activities VI	3	1
*Dancing II	3	1
Org. & Adm. of Recreation	3	3
Seventh Semester		
*Festivals and Pageants	2	2
*Leadership and Protective Proc	2	2
*Nature & Function of Play	2	2
Eighth Semester		
Supervised Recreational Leadership	6	4

ELECTIVE COURSES - 6 Semester Hours

Third Semester		
Arts and Crafts	3	3
Fifth Semester		
Music in Recreation	3	3
Seventh Semester		
Camping and Outing	3	3

SUMMARY

Required Courses	33	19
Elective Courses	6	6
	39	25

*The courses starred are now included in this curriculum.

The committee further recommends that student teaching assignments of students seeking certification in Recreation should be arranged to include opportunities for supervised recreation leadership. The four semester hours of credit for this course should be included in the 12 semester hours allocated to student teaching and conference.

Respectfully submitted

Willis E. Pratt
Q. A. W. Rohrbach
L. H. Van Houten
Charles S. Swope
Robert M. Steele, Chairman

After some discussion, it was moved by Doctor Steele, seconded by Doctor Swope that the Board approve the report of the Curricular and Credentials Committee. The Board so voted.

REPORT OF THE CURRICULAR AND CREDENTIALS COMMITTEE
May 19, 1950

Re: The elementary and secondary four year curriculums

Your committee has studied the final reports of faculty committees covering a two year examination of the two basic curriculums offered in the fourteen teachers colleges of Pennsylvania. It has attempted to keep faculties informed by furnishing through the presidents reports of proposals and recommendations as they have come from committees and faculties. It has solicited criticism and suggestions and has given these careful consideration.

The committee has made certain minor changes in the proposals of the elementary and secondary committees compiled at the Lewistown Conference, April 24 and 25, in order to effect a desirable degree of uniformity in like courses in the two curriculums. It has deleted a few courses and included others and has checked to see that legal requirements have been met. The committee has attempted to provide more liberal elective opportunity and more freedom for experimentation with broader subject areas.

This report is presented for the approval of the Board of Presidents with the recommendation that such changes and refinements as the Board may deem advisable may be made in time for inclusion in the catalog of 1951——the new course pattern to become effective September 1, 1951.

The committee recommends the following:

The Four Year Elementary Curriculum

(The sequence of courses is subject to change for administrative reasons.)

First Semester

Course Titles	Clock Hrs.	Sem. Hrs. Credit
Required		
Communications I	5	5

First Semester (Cont.)

Course Titles	Clock Hrs.	Sem. Hrs. Credit

*Present regulation in force - All students are required to take part, without credit, in one physical education activity each semester in which no physical education work or student teaching is required and to be active in one other extra-curricular activity for one semester each year.

**All or any part of these courses (1-3 S.H.) may be scheduled as a part of the unit in World Culture.

After considerable discussion, it was moved by Doctor Parsons, seconded by Doctor Houk, that tentative approval of the elementary curriculum be given by the Board, subject to written suggestions and refinements from the members of the Board. The Board so voted.

The Four Year Secondary Curriculum

(The sequence of courses subject to change for administrative reasons.)

First Semester

Course Titles	Clock Hrs.	Sem. Hrs. Credit
Required		
Communications I	5	5
or English I (3-3)		
and Speech I (2-2)

	16	16

Eighth Semester

Course Titles		
Required		
Student Teaching	Full day	12
Professional Practicum	entire semester	3
Elective		0
		15

It is further recommended that the graduation requirements for this curriculum include specialization in not less than two teaching fields.

1. The first field shall require not fewer than thirty (30) semester hours in that subject. The subjects included in this recommendation are:

   English, Geography, History, Social Science, Biological Science, Physical Science, and General Science.

   and not fewer than twenty-four (24) semester hours in:

   Foreign Languages, Chemistry, Physics, Mathematics, or Speech.

2. The second field shall require not fewer semester hours that the minimum required for certification in that subject.

It is recommended that a student may be given the privilege of taking an examination in any subject matter area for the purpose of securing exemption from taking a required course.

Respectfully submitted,

Willis E. Pratt
L. H. Van Houten
Q. A. W. Rohrbach
Charles S. Swope
Robert M. Steele, Chairman

After some discussion, it was moved by Doctor Houk, seconded by Doctor Rohrbach, that tentative approval of the secondary curriculum be given by the Board, subject to written suggestions and refinements from the members of the Board. The Board so voted.

B. Report of the Publication Committee

Doctor Chandler, Chairman of the Publication Committee, presented the following report:

TENTATIVE REPORT OF THE PUBLICATIONS COMMITTEE
May 19, 1950

TO: Board of Presidents
Pennsylvania State Teachers Colleges

The committee on Publications and Public Relations submits the following report on catalogs:

Each state teachers college shall be permitted to have catalogs printed in numbers as follows:

A. Fixed Quantities

1.	Number to State Department	25	
2.	Number to graduate schools	300	
3.	Number to meet publishers request	200	
4.	Number allowed for special curricula	250 each	
5.	Number to meet bid requirements	60	
6.	Miscellaneous (Libraries, public agencies, etc.)	200	
			1235

B. Variable Quantities

1.	Student body, faculty and trustees	100%
2.	Number of high school graduates in service area ($\frac{1}{2}$ of total number in each service area as of June 15 the most recent year)	
3.	Number of administrative officers in area (principals, superintendents and guidance officers)	100%

Respectfully submitted,
Committee on Publications and Public Relations

Robert M. Steele
Dale W. Houk
Leslie Pinckney Hill
Harry L. Kriner
Paul G. Chandler, Chairman

It was moved by Doctor Chandler, seconded by Doctor Swope that the report of the Publication Committee be approved. The Board so voted.

C. Report of the Athletic Committee

Doctor Swope stated that the report of the Athletic Committee would be presented at the next meeting of the Board, and requested that the matter be deferred until that time.

D. Professional Memberships

The Secretary stated that lists of memberships in professional organizations for the State Teachers Colleges must be transmitted to the Governor's Office by June 1.

One original and three carbon copies of these lists should be sent to the Department prior to June 1.

The Secretary also pointed out that requests for new organizations not now included in the approved list should be sent to Doctor Rohrbach.

III. New Business

A. Home and School Visitor Requirements

Attention of the Board was called to the fact that the State Council of Education, at its last meeting, increased the requirements for Home and School Visitors from six semester hours of education beyond secondary school level to the baccalaureate degree level. The question was raised as to where this preparation could best be secured.

It was moved by Doctor Noonan, seconded by Doctor Chandler, that the Curricular and Credentials Committee consider making provisions for preparation patterns for the education of Home and School Visitors in the State Teachers Colleges. The Board so voted.

B. Catalogs - Designation of Faculty Members

Doctor Van Houten raised the question of the designation of faculty members in the catalogs of the several institutions. It was pointed out that the only legal titles for faculty members are those which appear in the Salary Qualification Schedule. The Secretary pointed out that through the years, local titles have been developed, and that the matter is one of local administration.

C. Admission Application Blanks - State Teachers Colleges

It was pointed out to the Board that an organization located in Philadelphia had raised a question concerning some of the information requested on the application blanks for admission to the State Teachers Colleges.

It was moved by Doctor Parsons, seconded by Doctor Hill, that the matter be referred to a special committee for study. The Board so voted.

D. Fees - Institutional Memberships

With reference to the matter of the fees charged the State Teachers Colleges for membership in professional organizations, it was pointed out that the present fee for membership in The American Association of Colleges for Teacher Education is $200 and more per year. This seemed to some of the Board members to be out of proportion to the returns secured. It was pointed out by Doctor Parsons that this organization is one of the most outstanding professional organizations in the country, and that the institutions can not afford not to belong.

No action was taken by the Board.

E. Student Teaching Agreements

The Secretary pointed out to the Board that contracts covering student teaching arrangements with local school districts must be approved by the Board of Trustees and the Superintendent of Public Instruction, in accord with Act XX, Section 2006, of the Public School Code of 1949.

Contract forms are available in mimeographed form. Institutions need not use this specific form as the form may be modified to meet local conditions. The mimeographed form is an effort to simplify the contract. Four copies of student teaching agreements should be sent for the Superintendent's approval.

F. Participation in Physical Education Activities

Doctor Rohrbach stated that inasmuch as this matter was discussed in the report of the Curricular and Credentials Committee, it should be removed from the Docket.

G. Meetings of Deans of Instruction

It was moved by Doctor Noonan, seconded by Doctor Pratt, that the Secretary be authorized to call a meeting of the Deans of Instruction at a time convenient to the group, in line with the procedure followed in other years.

H. Conservation Education Laboratory

The Secretary called the attention of the Board to the Fifth Conservation Education Laboratory for Teachers, sponsored by a State-wide group. He pointed out that seventy scholarships will be available, and that any member of the faculty of the State Teachers Colleges who is interested will be given priority.

I. Aviation Education Seminar

The Secretary pointed out that funds have been secured to finance an Aviation Seminar for College Instructors. Representatives from twenty-eight or thirty colleges and universities will be invited. All expenses will be paid by the sponsoring group, but the representative must participate in the entire Seminar. A letter is to be sent to all accredited colleges and universities and a Planning Committee will select the institutions which will be represented.

J. Organization of Alumni Associations and Relationship of Life Membership Dues

Discussion disclosed that eight of the State Teachers Colleges have plans whereby life memberships may be obtained in alumni organizations.

K. Retirement Procedure

The Secretary discussed the submission of applications for retirement for new members of the State Teachers Colleges, and asked that these applications be cleared through the Department personnel office rather than being sent directly to the State Retirement Board.

L. Driver Education

The members of the Board were presented with maps showing the outgrowth of the Seminar in Safety Education held several years ago. The map indicated the location of institutions in which teacher education programs for driver education will be offered this coming summer. It was pointed out that the proposed Seminar in Aviation Education will follow these same lines of development.

M. In-service Education of Area Teachers

Doctor Parsons raised the question as to whether supervisory and administrative professional service can be rendered school districts for which no credit is given by the college. Several of the presidents pointed out the fact that it is reasonable to assume that instructional staff are rendering full-time service in carrying out curricular responsibilities toward students enrolled in the institutions. The discussion also disclosed that many of the institutions were offering in-service teacher education programs through extension courses in certain school districts. The feeling was expressed that the colleges might not be justified in taking over supervisory responsibilities within a school district and have such services charged against the budget of the institution.

not approved
F. B. H.
6-15-50

It was moved by Doctor Steele, seconded by Doctor Andruss, that this matter be referred to a special committee. The Board so voted.

N. Athletic Conference

Doctor Parsons brought to the attention of the Board the fact that a small committee of the athletic coaches of the State Teachers Colleges had voted against holding an athletic conference, while a larger group had been in favor of such a conference.

Doctor Swope pointed out that his committee would be pleased to receive any recommendations from responsible groups, but he felt when the Athletic Committee made a recommendation and the Board approved such recommendation, then the question of policy had been settled. He further suggested that if the Board desires to change the policy, his committee would be pleased to study the problem and present a report.

It was moved by Doctor Parsons, seconded by Doctor Noonan, that this matter be referred to the Athletic Committee. The Board so voted.

O. Civilian Conservation Corps

Doctor Houk raised the question as to whether the State Teachers Colleges should take any action with reference to the movement now underway to reactivate the Civilian Conservation Corps. It was the opinion of the Board that no immediate action should be taken, but that the institutions should hold themselves in readiness for such reactivation.

P. Gifts to the State Teachers Colleges

Mr. McClure called the attention of the Board to Section 513 of the Administrative Code with reference to gifts to the State Teachers Colleges. He pointed out that approval of the Superintendent of Public Instruction is required for such gifts.

Q. George-Barden Act

Doctor Cressman informed the Board that approximately $350,000 is available to purchase visual aid equipment and films. One complete unit, consisting of one motion picture machine, one projector, one 35 mm. projector, and three screens, will be given to each school district. A catalog describing the films will be ready for distribution in the Fall, and the local school districts will be notified by circular letter.

Ownership will remain with the State Board for Vocational Education. In the event that a program is discontinued, the equipment must be moved to another district.

Plans are also underway to hold a one-day school at each center, to instruct local people in the use of this equipment. A complete schedule of these one-day schools will be sent out to all concerned. The Board pointed out that it felt the best time for these schools would be immediately after the opening of school for the Fall semester.

The equipment is expected to be ready for distribution by early Fall. One unit will be on display at each session of the pilot school, which will operate in cooperation with the Visual Education Department of the State Teachers Colleges.

R. Public School Nurses

New regulations for the education of public school nurses were approved effective September, 1952. These regulations provide the additional courses, supplementing the nurses training school education, which lead to the completion of a four year curriculum and baccalaureate degree in nursing education. The program contemplates a cooperative arrangement between an approved nurses training hospital and an approved institution granting the degree.

It was moved by Doctor Andruss, seconded by Doctor Rohrbach, that the matter be referred to the Curricular and Credentials Committee for study and recommendation as to the possibility of making available in the State Teachers Colleges programs in cooperation with approved hospitals that will make it possible for public school nurses to secure the required preparation. The Board so voted.

S. Public School Dental Hygienists

It was moved by Doctor Parsons, seconded by Doctor Kriner, that the Curricular and Credentials Committee consider the development of a curriculum whereby public school dental hygienists could secure the additional academic and professional preparation required under the new regulations, effective September, 1950, as approved by the State Council of Education at its last meeting. The Board so voted.

This program would be a supplementary program to that offered by the colleges approved for the preparation of dental hygienists.

T. Selection of Department Heads

Doctor Rohrbach raised the question of selection of department heads in the State Teachers Colleges. It was pointed out to the Board that this was a local problem, and that the president, as administrator, is responsible for staff assignments.

U. Equivalents for Non-Credit Activities

It was moved by Doctor Pratt, seconded by Doctor Parsons, that a committee be appointed to recommend to the Board equivalents in terms of semester hours for all non-credit activities. The Board so voted.

not approved
